## CERTIFICATE

We herewith confirm that parents of the above named child have requested a medical care for their daughter in our **specialised centre**.

The child is affected with retinoblastoma, a serious eye disease, which needs close follow-up and treatment in our specialised centre, the Jules-Gonin Eye hospital and at CHUV (Central University Hospital) in Lausanne, Switzerland.

We certify that treatment for retinoblastoma requires specific technical apparatus and expertise of specialized medical staff that is only available at the Jules-Gonin Eye hospital.

In order for the child to be admitted at both of the hospitals, an initial deposit of 65'000 CHF (Swiss francs) is requested as follows:

- **20'000 CHF is requested on the Jules-Gonin Eye hospital account. Details are as follows:**
